

## **MEDICAL EXAMINATION INSTRUCTIONS**

**Medical Examination:** Two designated panel physicians, the Alliance International Medical Centre in Vientiane and North Eastern Wattana General Hospital in Udonthani, Thailand are the only medical facilities approved by the U.S. Embassy in Vientiane to conduct medical examinations of visa applicants in Laos. The medical Examination Form DS-2054 and other required forms to complete the examination will be provided at the facilities. The total fee for doctor's examination, nursing, hospital charges and documentations is \$145 USD plus laboratory and radiology fees ranging from \$20 to \$50 USD depending on age. Vaccinations cost approximately \$60 USD for persons over 15 years old, but increase based on age and medical history. The fees may be paid in U.S. Dollars or local currency. For more information please contact our designated panel physicians below:

- The Alliance International Medical Centre is located on Souphanouvong Road, Wattayyaithong Village, Sikhottabong District, Vientiane Capital. Tel: 856-21-513095, or email [info@aimclao.com](mailto:info@aimclao.com)
- North Eastern-Wattana General Hospital is located at 70/7-8 Suphakitjanya Road, Muang District, Udonthani, Thailand. Tel: (66) 42 325 999, extension 125; 126, fax (66) 42 241 956, email [admin@wattanahospital.net](mailto:admin@wattanahospital.net).

**Vaccinations:** It is required by law that each person going to live in the United States be vaccinated against several diseases. If you did not previously receive these vaccinations, the panel physician will provide them to you and will give you a record showing that you received the vaccinations. This is a very important document that you will need in the United States.
